ETHAN AND JASMINE CHASE*

Southeast Asia

Serving in the same Southeast Asian city for the past 13 years has allowed IMB workers Ethan and Jasmine Chase, who call Arizona home, to develop long-lasting relationships.

Ten years ago, the K minority people group had no known believers. Because the Chases are able to live here and meet people from this group, now there are believers and house churches popping up in a restricted, hard-to-reach area.

THE COOPERATIVE PROGRAM is the financial fuel for reaching every person for Jesus Christ in every town, every city, every state, and every nation. Your support through the Cooperative Program allows the Chases to share Christ in a Southeast Asian country where about 50 people groups have been targeted for outreach.

PRAY for the K people group, for solid discipleship and endurance during persecution. Pray for local workers and international missionaries to join the Chases in the task of serving the last of the unreached.
