Serenity Baptist Church 15501 W Ajo Hwy Tucson AZ 85735

Serenity Baptist Church is seeking the man that God has chosen to lead us forward according to our Mission Statement:

“The purpose of this church is to tell the good news of Christ to our community, to be caregivers in Jesus’ name to those around us, to be submissive servants to God and each other, to provide spiritual tutoring to all believers in Christ as we come together for the adoration of God.”

The Serenity Baptist Church, located in Three Points/Robles Junction, a historical ranching community, serves as a hub of many of this communities’ spiritual and social activities. Once known as the Robles Rest Stop, it was given this name by a previous pastor due to the transient nature of the population in this community. These travelers have one thing in common: They are looking for a spiritual bonding with Jesus as they journey through their life. Will you provide the spiritual sustenance, nurturing, inspiration and comfort that is being sought in this rural community? **(John 4:13; Mathew 11:28-30)**
