EDDY PEARSON

Arizona

Eddy Pearson has a passion for telling people about Jesus. Whether it's someone he meets on the golf course or a repairman who comes to his home, Eddy always manages to start conversations that eventually lead to spiritual matters.

As the evangelism facilitator with the Arizona Southern Baptist Mission Network, Eddy helps churches cultivate conversations that lead to Jesus in their ministry fields. With five-year evangelism strategy initiatives related to prayer, culture, coaching, technology, and the underserved, Eddy and teams he has assembled are helping churches take their next steps in evangelism.

**THE COOPERATIVE PROGRAM** is the financial fuel for reaching every person for Jesus Christ in every town, every city, every state, and every nation. Your support through the Cooperative Program provides evangelistic resources, tools, training, and expertise for Arizona Southern Baptist churches.

**PRAY** for Arizona churches to share Christ in the vast harvest field in our state.
