Bullhead City is in the Tri-State Region of Northwest Arizona on the Colorado River, across the river from Laughlin, Nevada. Estimated population of the area is 55,000. The church is located on the north end of Bullhead City next to both a charter and public elementary schools. It is part of the River Valley Mission Network.

The church is debt free and just purchased a 13-acre property on the south end of the city anticipating raising the capital to build a new facility in the coming year. Our prayers are this multi-use campus will be attractive to the Millennial and Generation Z population we vision including in our family.

Desert Shores is mostly a senior church looking to expand with a new young family-oriented ministry. Presently the two weekly services average 150 worshippers even during the current pandemic. Additionally, Bible study attendance averages 60 people weekly and a Tuesday-Thursday afterschool ministry attracts 15-20 children daily.

In building our new online ministry, the Saturday night (6 p.m.) and Sunday morning (10 a.m.) services as well as special events are broadcast live on the Desert Shores Community Baptist Church Facebook page. Business meetings are also available for members to participate in via a "Zoom" broadcast.
